“ *Greetings to Mike and Tom and the rest of Bob's kids; Phyllis and I are in Florida for the winter and will be absent when you Celebrate the Great Life of your Dad and His going "Home" to be with Jean. Your Dad and I spent a lot of time Lobbying together; campaigning for each other and being Business Friends. Phyllis served as His "Running Mate" for one Legislative Campaign. He was "ONE OF A KIND" a very fine and unique Personality. He deserves all the Accolades that can be given to Him. With our Love and Sympathy*

“ Bob Walters was highly regarded in our community for his strong principles and high morals. He stood strong for the Pro life movement and along with Phyllis Schlafly became my mentor over the years when we moved to the Alton community in 1971. He touched many people with his dedication and leadership to stand up for what is right. He was a blessing to our community and was most admired for the loving way he treated his family. We've lost a true soldier.

My condolences to all his children.

“ I will always remember the day I met Bob - we were both attending an Eagle Forum convention in St. Louis, summer of 2020 and we were so excited to be there with Phyllis Schlafly. Bob and I discovered we had much in common and developed an immediate friendship. A few days later, I became the Athletic Director at Marquette Catholic High School, and the rest is history. Bob became the wind beneath my wings, and a Marquette mentor. He was a life-long Explorer fan for sure. I'm honored and blessed to call Bob Walters "Friend" - may he rest in peace. Jack Holmes
