“ *We enjoyed your mother very much during her stay at Rosewood while our mother rehabbed there. Your mother was bright and interesting and looked forward to the Post that we brought in each day! She was so kind to our mother who was recovering from a stroke and helped her remember what she had done or was to do. Our mother also passed earlier this summer. Much gratitude for your mother's kindness.*

“ I am very sorry to hear of Bobbie's passing, yet I am also remembering the short distance between our houses in the old neighborhood and all our happy mischief and good times there. I am so grateful for those times.

Sending warm thoughts to each of you.

“ I am very sorry for your lose, and may GOD BE WITH YOU during this time and always.

It has been my blessing to have known her and carve with her over the years. She was a great lady and we did kid each other a lot.

GOD BLESS
