“ *Rudy was my very dear friend.. We worked together at various local hospitals and in my private clinic for nearly fifty years. He was always available for consultations and ready to help any patient who needed surgical procedures. He was always pleasant, easy to work with and deeply concerned for the welfare of his patients. I will surly miss his friendship.*

TR

During the flood of 1993, if it hadn't been for Dr Vest and Dr Beer I would have lost my only sister. I truly Thank them for everything they did to save her. She will be 70 in January and I couldn't imagine living all these years with out her. Thank You from the bottom of my heart. You will be forever remembered Dr Beer. RIP❤️
