“ *Ron was an amazing man and friend to me. He taught me so much about working on my own vehicles. He was always kind and loving and had a following wherever he went. I love his Mom and brother too. My heart goes out to his family and loved ones. I'm heartbroken. I just talked to him on the phone, it doesn't seem real. Mrs. Parker and Bobby get a hold of me if you need anything. I cannot make the funeral it's too far to make a round trip for me. All my prayers and love goes out for you.*

“ Ronnie, I remember growing up with you in our neighborhood in
Alton. You were always the "cool"one with the fast cars and pretty
women. You will be awfully missed by everyone. One story I would
like to share is when I was in our living room and you used to go
down the street, my mom would always say 'There goes Jesus
Christ" because of your long, flowing hair. Please be good as I know
you will be in heaven and save some women up there for me. R.I.P.
Ronnie and I hope we meet again up in heaven.
