“ *My dear cousin, even though we never had the opportunity to spend a great deal of time together throughout the years; distance has never kept thoughts of you from my heart. Till we meet again.*

“ *Our thoughts and prayers are with you as you enter the gates of Heaven. We have been separated by miles at times, but not for thoughts, prayers and friendship. We cherish all the times that we have been together, what Life lessons that have been passed on at these short visits. Till we meet again, God bless you and your family.*

“ God bless you my kind-hearted brother. I know you are probably fishin' in the Crystal River now, and Mom's thrilled to be fixin' you mashed potatoes for dinner again! Give Wade and Jordy a kiss for me, and we'll see you soon!

*I love you!*
