“ *Ronda was such a kind, caring, wonderful person and big sis to me. We weren't sisters by blood, but sisters by heart! I will miss all our talks and her great advice. She could turn a bad day around for you in a couple minutes. God gained an amazing Angel.*

*You will forever be in my heart,
Love you,
Cathy (lil sis)*

“ Ronda was such a wonderful lady. She was our next door neighbor and absolutely adored and fawned over my daughters. When the pandemic hit, she bought food for my kids and my nephew across the street because she wanted to make sure they had lunch for home schooling.

There was no need for neighborhood patrol on our street because Ronda would drive up and down our tiny street making sure nothing was afoot.

I'm going to miss sitting in my front yard and having a beer with her while my kids ride their bikes up and down the street.

Rest In Peace Ronda. The neighborhood won't be the same without you.
