“ *I was overwhelmed when I heard that Ron had passed. My thoughts are with you Diane. My thoughts are with you and your Family. My love for Ron and you has never changed, (never will). We have known each other for over 50 years and have thought of you guys so many many times in that 50+ years. Regardless how times have changed and people too, know that I love you and loved Ron too. He was and will always be the best friend I have ever had.*

“ I have known Ronnie since he was a teenager and my heart is very sad to hear of his passing. I introduced him to Diane after meeting him at a fellowship meetings in Mountain View California. At that time I was in the Medford Oregon assembly and Diane was in the Portland Oregon assembly. Ronnie was always a wonderful person and a very honorable man. I am so sorry for your loss. May he rest in peace while we live in peace. May God Comfort your heart as only he can do. Hazel gay Lee
