“*Rose was the most caring and giving person I have known. She would do anything for anybody, even toward the end of her time with us, she still talked about how she wished she could do this or that for her friends and family. She was a joy to work with and an even better friend. She was a beautiful person, wife, mother, daughter, friend, workmate and I will always love her. She taught me to be a better person by just spreading her love all around.*

*I love you Rose and will always keep you in my heart.*

*Even though we may be far away, Norma, Paul and family, myself, Terry, and our family as well as Gene Junior wanted to let you know that you are all in our thoughts and prayers. We all have fond memories of Rose when she was younger, especially that happy smile of hers, that we will never forget. She will always be in our hearts. We love you Rose or Sissie as we all called her when she was younger.*
