“ Rosie and I first met almost 50 years ago. For the past 46 years, Rosie was my sister in law. I couldn't have asked for a better one. She always treated everyone with warmth, kindness and graciousness. No one ever left her home without being offered something to eat, a cup of coffee or a cup of tea. Rosie was a great listener. She held my hand during times of loss and great disappointment. She gave our son his first winter village building. Each year the village grew. Now it's the focal point of Christmas. Rosie will be deeply missed. Everyone will miss the sound of her voice. Our condolences to Donna, Mary Rose, Betsy, John, Ted, Andy, Stan and their families.
