

Roy Herbert Lee Haug

September 16, 1941 - April 2, 2025

Dateline: East Alton, IL

Roy Herbert Lee Haug, 83, died at 3:44 p.m. on Wednesday, April 2, 2025. He was born September 16, 1941 in Alton, the son of the late Herbert M. and Leona (Pohlman) Haug. Roy retired from Shell Oil Company where he worked as an instrument technician. On November 23, 1963 in Alton, he married Patsy Pinkerton, and she survives. Also surviving are two sons, Brad Haug and his wife Dr. Kim (Gibbons) Haug of Godfrey and Brian Haug and his wife Shari of Elmhurst, IL and five grandchildren, Brennan Haug, Kailin Hudson (Bryan), Brayden Haug, Evan Haug and Riley Haug. Roy's children and grandchildren were his absolute pride and joy. Besides his parents, he was preceded in death by his sister, Sarah Jane Karlas.

Roy was an amazing husband, father, grandfather and friend. His riches were measured in time: he had time for his wife, family, and friends and was always present when he was with you. When you saw him out, he was always with his wife, Pat. They were such a great team and together set an amazing example of love, family, and fun. He greatly enjoyed golf and looked forward to his Tuesday game with his close friends.

A Celebration of Life will be held from 1:00 to 3:30 p.m. on Saturday, April 19, 2025 at Rolling Hills Golf Club in Godfrey. Memorials may be made to Alzheimer's Association (in honor of his daughter-in-laws' mothers) or St. Jude Children's Research Hospital. Additional information and online guest book may be found at www.gentfuneralhome.com.

“ Patsy, Brad, Brian and their families:
So shocked and sorry to hear about Roy. Hope you all can comfort each other and the boy's families. Remember the fun times. I'm sure he was a great grandpa.

“ Roy, Jim Seibold and I were good friends at Marquette. Roy really stood out for the cars he had (still have the T-Bird?). I will never forget riding with him in a drag race on the River Road. He and his V8 Ford blew away Paul Moses in his 6-cylinder Plymouth. Unfortunately, the trans went at about 90 and Roy was heartbroken. But he and his dad fixed it like new. I was sorry to hear about his passing--last time I saw him was at about a 50-year Marquette reunion and he looked great. One of the comments here mentioned his smile but I remember more than a smile. I remember a very hearty laugh.
