“ *I got to know Russ several years ago when he and I were taking aluminum cans to a recycler to help Joey Moyer. Russ was a gentleman and I admired him for being a great caregiver. I know the family will miss him and I'm glad we crossed paths in life. Russ, Rest In Peace.*

“ As boys we were always together. It seems like when one got in trouble with mom or dad the other would get it too because we were so close. There is a picture of our mom and her four boys and Russ and I have our arms over each other's shoulder; brothers and best friends. Will miss Russ for sure.
