“ Aunt Ruth was a good hearted, kind and generous lady. She always had kind words for all. I have many happy memories of the times spent with her. She was a very special person who meant so much to so many people especially her family. It saddens me to know she’s left us but I know she’s in a better place and mom was there waiting for her.

My sincere condolences goes out to all of the family. She will be greatly missed and forever remembered in our many beautiful memories.

My thoughts and prayers are with you all. Aunt Ruth was an awesome one of a kind lady.

With Love,

Aunt Ruth was always my favorite aunt. I enjoyed babysitting all 3 of her children in my teenage years. Both she and Uncle Guy were always so good to me and I enjoyed time spent with them. Aunt Ruth was a very fun lady to be around, always laughing and having a good time. She called me "Flossie" since I was very young, and she always remembered who I was even though she would only see me every couple years after she was in nursing home, until 2 years ago when she didn't remember me. I wish I could have seen her one more time, but Covid-19 happened. She will certainly be missed by many of us, and I am praying for all of the family. We know she is in a better place and is at peace being with Uncle Guy and all other family members that have passed before her. May God bless all of the family during this difficult time!!! Love, Florence
