“ Sally was married to my cousin Terry and many times my husband and I visited them in their home
I have so many memories of the fun we had the dances we went to the girl talk we shared. Sally loved it the year we were there with our 10 month old daughter Samantha. After we went home they got a kitty and named it Sam.
I will always be amazed at how accepting she was of our rowdy Long clan. I am sure that she is now pain free and at peace. Rest in peace Sally we loved you

Sally was my first boss when I was in high school working in the office at Eldercare. She was kind and taught me many valuable lessons. I always admired the way she dressed and presented herself. I think of her every Christmas when I bring out a hand painted sled she gave me 40 years ago. I am so sorry for your loss.
