

Sally McClain

January 17, 1955 - March 6, 2024

Sally McClain, 69, died on March 6, 2024 at St. Luke's Hospital in Chesterfield, MO, with her son and loving family by her side.

Sally was born on January 17, 1955. She graduated from Alton High School, the University of Illinois, and Washington University in St. Louis Olin Business School in 1990. She worked at Monsanto for 25 years. She then taught for several years before returning to the pharmaceutical industry and ended her career at Thermo Fisher Scientific.

Jed and Sally were married on August 5, 1978. During those thirty-five years, there was not Jed without Sally or Sally without Jed. They were synonymous. Her son, Hunter, was her pride and joy.

Sally was a devout Christian. She was a very special person who never complained even when times were hard. Sally was always present for her family and friends. She was never judgmental. Just loving and willing to do what was needed. Sally was a faithful prayer partner.

Sally was preceded in death by her husband Jed McClain, her parents Dr. Hood and Jane (Hunter) Harris and her sister and brother-in-law Betsy and Dave Shick. She was also preceded in death by her mother-in-law and father-in-law Ralph and Mary Lou McClain.

She is survived by her loving son Hunter (Trey) of St. Louis, MO. Surviving also are two sisters: Nancy Harris of New York, NY; and Susan Benedict (Bill) of St. Louis, MO. Also, Sally is survived by her sisters-in-law: Pam Youngblood (Jim) of Godfrey, IL; and Tanya Collins (Greg) of Springfield, IL; and her brother-in-law Bart McClain (Louetta) of Cockeysville, MD. She will be dearly missed by many nieces and nephews.

Visitation will be from 10 a.m. until funeral service at 11 a.m. on Thursday, March 14, 2024 at Gent Funeral Home in Alton, IL. Pastors Andre' Dobson and Christopher Rogers will officiate. Burial will follow at Valhalla Memorial Park in Godfrey, IL.

“*What a ray of sunshine Sally was here on earth and what a bright brilliant light she is in heaven now. I look forward to praising our Lord Jesus Christ with her.*

So many swim team memories, so many beautiful prayer group memories, so many BRIDGE memories. We were greeters together on Sundays mornings! We shared the excitement of planting a new church. We laughed and hugged and prayed and cheered on our boys.

Sally was so kind, always loving , she always looked for the best in EVERYONE.

She was so proud of her beautiful son.

Hunter I am praying for your strength and peace. Be at peace because you know where she is and is surrounded by perfect love. Hunter you are cherished.

“ I’m so blessed to have known you Sally. Thank you for your kindness, the laugh's, and for your “Sally” way of seeing others, including me. I miss you. So much can be said, but thank you for being you and for being a part of my life. A salmon salad will never be the same without you. My thoughts are with your family and friends during difficult time.

“ To Sally's Family, May the LORD comfort you in the remembering of our dear Sally. She was a huge help to me in the days when she attended Northway in TX. We did Biblical counsel training together and I often was the one with the questions of a client and Sally was so gentle with her truth and teaching. I missed her when she returned to you all. I miss her now. Much love, Fran Querio

Mary, it is so lovely to hear from you. I wanted to contact you but had no idea how so I'm pleased that you know of Sal's passing. I vividly remember the two of you playing and creating havoc all day all the over Greenwood Meadows. I think of you, Mary, with deep fondness. Nancy

So, so glad for your response. Sal and I lost touch but I am as heartbroken as all of you. We were so close for such a long time. As I've reflected, the entire family is on my mind....your mom's references to Sal, Nance, Bets, and it seems like Susie was Sue, not Suse. TV in the family room, the cocktail hour, the bus stop walks, BLOCK's, Fortnightly, Sal's red convertible, the Pepperidge Farm bread in the freezer...I could go on forever. Please give my love to everyone and know that Sally's memory will always be treasured.

Sweet sweet Sally-- Her photo next to this comment is exactly how I will always remember her. She looks the exact same as when we were both 5yo. So TRULY sad.

Gladys, my name is Nancy Harris, Sally's oldest sister. When I spent time with her this last Xmas she spoke of you often in glowing terms about your work ethic and how connected she felt to you personally. I thank you for what you did with and for her. Sally cared about you Gladys. Take good care of yourself and your lovely daughter. Nancy

Thank you Nancy. Sally and I would laugh and talk about how much we were on calls together that our families knew each of our names. Sally and I got to work on many projects together but our during a trip to AL we really discovered how many similarities we had and one big one was that we had one son and our love for our sons. Besides work we'd talk about our babies and laugh. Sally was such a sweet friend. Nancy you take care too.

“ Each time I greeted Sister McClain she was warm and very soft spoken. It was during Sunday School at First Baptist Church of Chesterfield that she expressed how excited she was about the lesson that was presented that day. I smiled and said “Thank you, my husband will be encouraged by your kind words”. When I shared that “we pray you will join us again,” she gently smiled and said, “I plan to. “

We appreciate the short time God allowed Sister McClain to be a part of our faith family. To the McClain family, May God comfort you in your time of sorrow and May you find strength in knowing that you will rejoice with Sally again one day. 1Thessalnians 4:13-18.

I know it's been nearly 6 months since Sally went to be with Jesus. I heard about her home going about 2 months ago. I was so surprised and still my heart misses her. She truly was a very special lady and friend. I pray for Sally's family and ask the Lord to comfort your hearts. We met Sally at our church in The Woodlands, TX. My husband was the Senior Pastor at the time of our meeting. Sally was always faithful to attend Bible Study in our home. I miss this Dear Dear Lady so much!
