“ Sharon provided much love to the Rock Gate gang. Her station wagon took us everywhere when we were in junior high. I made a point a few years ago, to visit her and personally thank her for being so involved and helping us get around back then. Requiescat in pace, dear Mrs Beckmeyer, good and faithful servant.

“ *So sorry to learn about the passing of this special person. She attended several bible studies and other groups at our church. I know she loved her family and grandchildren very much and also loved life. She was a very devoted Christian lady that tried to do her best for the Lord and reached out to anyone in need. When I had a illness that kept me from driving and we took the church bus together for services she gave me great comfort. My condolences to her family.*
