“ *My heart goes out to her family. It's been a few months since I was able to see my friend and my condolences and prayers to all of you. Sharon and I became friends because George and my dad went to daycare together. I love for the St. Louis Cardinals and corny jokes. We hit it off instantly. She was very proud of her family but I think one of the things she enjoyed most was being.GG. 💕💕💕 she would call me just to tell me something cute that those great grandbabies did or sad. Rest in our Lords love Sharon. I will miss you my friend*
