“ *Shawna, so sorry but I can't make it for the Visitation tonight. I have been sick for two days and don't wanna come and give it to anyone. So sorry, I wanted to see you so bad. Honey, you hang in there now. My mom always told me when you lose your mother you lose your best friend. How true is that Shawna. Hugs*

“ I worked with Shelia at AMH gift shop. We had a lot of laughs and stories to talk about. We had a lot of the same friends. Shelia loved her daughter and her little dog so very much. She showed me a lot of pictures of the both of them. RIP my friend.

Shelia has been a friend of mine since our West Junior high days. She never lacked energy and enthusiasm for anything she was doing! She will be so missed by so many!

“ Shelia was such a classy woman. We all had a lot of fun with her. she was always the life of the party and she never knew a stranger. She always made you feel comfortable around her. Shelia is the one that introduced Larry Thompson (school teacher from Alton High School) and I at MidtownTown on Thursday night nickel beer night. Larry and I have been married for 52 years now thanks to Shelia. Shawna I am so sorry for your loss. Our thoughts and prayers are with you. May God be with you.
