“ *I have so many memories of Sherry at work & after. We had so many laughs even @ 5 a.m., she was the hardest working nurse & a pleasure to work with . She was my best friend @ work & a great decision maker on where to go for a cocktail after a stressful day. I didn't know what a Cadillac margarita was but I do now. Her love of Mexican food turned me into a believer. If you' ever gone shopping with her you know it was shop quick & find an establishment to quench our thirst. She talked so much about her love for Denny,Ashley & her 3 beautiful grand babies, you were her world. She will be missed .*
