“ My thoughts and prayers go out to Andy @ Pam and all her family. I have great memories of Shirley laughing and kidding around at supper time at Marian Heights Shirley always called me mom and I would call her my daughter. We got a big kick out of it. Judy cogan

“ Friday nights at the bowling alley always found Mom on a chair watching her son and friends having fun. I would pull up a chair next to her and talking about this and that and always giggling. She was a sweet lady with a great smile and will be missed by so many. It was an honor knowing her. My deepest sympathy to Drew and Pam and family. "Charlie" Cosco Rogers

“ I have many great memories of Shirley as a neighbor living nearby on Maurice St. Her children enjoyed playing with other kids in the neighborhood. I was a little older than her kids but in the neighborhood everyone knew each other. Later I joined a bowling team with her and had many great times. She always had a laugh and smile on her face. I send my condolences to her family.

“ I will miss you forever Grandma. It still does not seem real that you're gone. I still feel like I can pick up the phone to call you once a week and that you will answer. It will be very difficult without you, but somehow I'm going to find a way to keep going.

Thank you for all you have done for me. From teaching me to read, teaching me how to cook...for always always always being there for me from since the time I was very little when the world would chew me up and beat me down. I knew I could always limp my way back to you and you could fix me with either bactine spray or some loving words. I promise to keep you with me in my everyday life. I will be sure to be so very thankful for you and all you have taught me and let it shine through me.

I try so hard to be happy for you now. You're with your friends, you're with Foxy and Grandpa now, you don't need an oxygen tank and tubes anymore.

But I can't help it, I'm selfish and still want you here with me and the rest of us that would give anything for just five more minutes with you.

Our last words together were beautiful, and perfectly sum up what a wonderful person you've always been. They were, "I love you."
