“ Shirley did the taxes for my parents, George and Lucille Thomas. It was particularly difficult since the breakup of AT&T in the 1980s and the subsequent Baby Bell stocks that were awarded make the entire process a nightmare. Shirley took it all in stock and no one questioned her decisions. When I moved to St. Louis I visited with Shirley and she promptly took care of my tax needs also - often the same day and leaving a phone message before I returned home that they were finished. After Dad died, Mom and I would make an annual visit to Shirley and she would take care of the both of us. Sometimes I would see her at Aldi's and we would visit - always such a kind word and I liked her frank opinions that she would sometimes voice about the topics of the day. She will be much missed!!

“ *Scott, Jamie, Susie & Jeff, Sending prayers and so sorry for your loss. Shirley was a wonderful person and a I enjoyed working with her. I worked for Jim for several years and Shirley did my taxes for many years. I still have a red mechanical pencil .09 lead that she turned me on to. I have thought about her many times when I use “my red pencil”. May all your memories carry you forward during the coming stressful days. Donna Sly*
