“ I didn't know that Shirley was ill. I am so shocked and sad that she passed away. I looked up to Shirley from the time I was a little girl and so happy when I got to spend the night with her & my Uncle Fred especially after Sherrie was born. I loved to hold the baby. Shirley got me to drink ice tea. I was always thankful for that since it is so healthy. There was no limit to Shirley's talents. She taught me how to crochet Christmas stockings. She was so smart & pretty. We texted on fb several months ago. I wanted to go to Skyline T to see her but didn't make it since I started working. I will always have my memories of her. I am going to light a candle for her & the rest of my family plus my husband that passed away as soon as we all can get out again. Love you all . Tony, Sherrie & Louie. Cousin Barbara Butler
