“ As a child Shirley was my second Mom. I Remember when she worked at The Hiway House Connie and myself would go to work with her and swim all day. Shirley's cooking was oh so good My Mother was not much of a cook. Connie and me would ask what each household was cooking and 9 out of 10 times we ate at her house. U know I have so many memories So I want to just say I Love U Shirley U have always had a special place in my heart. U r now a Beautiful Angel that I will always and forever keep in my heart and cherish.
