“ Sincere condolences to Michelle, Linda and families. Shirley was a long time client and friend. We spent many appointments laughing and sharing family stories.

One of my favorite memories is that my husband and I were invited to an Anniversary party for Mary and Bill. My husband worked with Bill. At the party Shirley , Fern and Mary were dancing up a storm. They were having so much fun. For awhile after the party I called them all” dancing machines”.

I recall that there were times Shirley’s health was bad but she never lost her smile and good attitude.

I know you will all miss her terribly, but try to be thankful she was in your life. I am blessed to have been her friend.
