“ I will always remember Stacey's big heart and sweet smile. She helped Pride, Inc. and the Miles Davis Memorial Project plan many dinners that benefited the community. She made it seem effortless. I also remember her as a young girl working at Tony's and then watched her grow into her position at Lewis & Clark. I am privileged to have know her.

*Stacey, your memory will remain in many hearts. Have a wonderful Journey.*

“ We were shocked and heartbroken by the tremendous loss of such a beautiful woman. She handled her position at LCCC with grace, professionalism, and determination to make the client happy. It was a pleasure to work with her on events. Her contagious smile never left even under stressful situations. She was a dear friend and a beautiful person inside and out. She will be missed so very much. If God has any events planned in heaven, he has a tremendous organizer right by his side now. You will find her in the smallest things here on earth. Keep your heart open to recognize those moments that may be subtle, but she is with you always. Thoughts, prayers, and big hugs to her family and loved ones. Tom, Robin, and Emma Long
