“ *I worked with Stan years ago at Smurfit-Stone. We'd all aggravate each other and tell stories when he'd pass through. I always looked forward to seeing him in the evenings - it was a ritual. I had the pleasure of knowing Stan outside of the workplace too when he invited my co-worker and I to his home to meet Janet and his second love, the dog (sorry can't remember her name now). We'd throw back a few cold ones and laugh at Stan's stories and then be on our way. Janet and Stan welcomed us in any time we stopped by. We lost touch, as friends often do, but I thought about Stan and The Baileys many times over the years. I am so glad to see that he lived many more happy years, but so sorry to hear of his passing. My thoughts are with The Bailey Family. He was like a Dad to me, and I know what a great Man he was. God Bless.*

“ *It is never easy to part with our loved ones, but when you have faith  
in God and know where he is, the pain and sorrow will lessen. He is  
at peace now and knowing this, hopefully, will help you all get  
through these tearful days and nights. God bless.*

“ *Stan is another good person God took to be with him. I am really  
feeling the pain for the family I know how you feel. He was alot of  
fun to be around and i will miss him even though it has been  
sometime since I have seen him. You  
all are in my prayer.
