“ *One of my favorite memories of my Uncle Stan was when Little Danny and I went to Greenville, Ill on vacation when Little Danny was 8 months old. He took to Uncle Stan and vise versa. I will hold in my memory forever a picture of Uncle Stan holding Little Danny and both looking at each other smiling. I have many wonderful memories of him in my childhood and cherish his never ending teasing. I love you and miss you uncle Stan. Say hi to Little Danny for me. I'm sure he was one of the first to greet you when you arrived.*

“ Loved Stan. Always had such a good time with him and Katie. I'll never forget the first time Jay and I went to Las Vegas with them. It was so much fun. I bet Jay was there to greet him when he got to heaven and they are celebrating being together again.
