“ I am saddened to hear this news. I didn't know Steven very well, but we were in a men's class together at church a few years ago. I know the obituary says "full military honors" but let me know if you don't have access to a live bugler for TAPS. I would gladly volunteer my services and play TAPS to honor a fellow military veteran if the family does not already have a live bugler lined up. This is John Cavanaugh from Whitelaw Avenue Baptist Church in Wood River, I retired from the Air National Guard (USAF) two years ago after 27 years. Call or text me at (618) 381-1495 if you still need someone.

“ Always enjoyed working with Steve. He was very knowledgeable about many topics. Had a lot of great conversations. It was obvious he loved his family very much.
