“ Steven made me laugh so hard all he had to do was look at me a certain way! I have a lot of memories of him he would open his bedroom window set his radio by the window and sing his heart out n next thing the cops would be knocking on the door asking him to keep it down cause the neighbor complained! Lol. Best memory him on his bike riding down the street to visit me in his Elvis costume!! Good times!! RIP Steven I love you!

“ My brother Sean told me that one day my dad Jerry Griggs which is now deceased went over to Uncle Steven's house and he pooped on his front porch and wipe his butt with his underwear and threw them in the bushes. LOL. Uncle Steven call Dad m was laughing saying that a dog took a huge hit on his porch. LOL. Uncle Steven was one of the most likeable people you could ever meet. He he would joke and him and the family would play jokes on each other. His laugh was contagious and so unique. He would try to make you laugh. And I'll always remember that about him.
