“ *I am so sorry to hear about your loss. You and your family are in my thoughts and prayers. My last memories of Steve was years ago when I still lived in Illinois. He was always so pleasant, kind, a great neighborhood kid/grownup and really new how to make us laugh with his great sense of humor. Everyone who knew him was lucky to have had time with him. Big hugs to you Leigh and lots of prayers for your family.*

“ My sympathy goes out to Steves' family. As a fellow Electrician I worked with Steve quite a bit. He was a fun loving guy with a strong spirit. What sticks out most in my mind is the football games we played on level 3 of the bldg 300 main computer room during lunch and breaks. This was nearly 30 years ago. I can't recall ever seeing him with anything but a smile on his face. I'm deeply saddened by the news. Farewell My Friend.
