“ *It's with great sadness that I learned of Steve's passing. Growing up out in Godfrey, he was always great to me and treated me like one of the family. I regret that work commitments prevent me from telling you all this in person, but just know that you all are in my thoughts and prayers.*

Rob Bockstruck - February 07, 2012 at 12:00 AM

“ *Sorry to hear about Steve, he was my locker partner at Alton High. I have not been to a reunion in many years and had not seen Steve since high school. Maybe I should consider the next reunion.
Sincerely, Mike J.*

“ *From Barry:
Steve became my "hero" after leaving Betty in Duluth because she wasn't on-time and ready to leave for a trip to Alton. Then he used his great intellect by sending others to the airport with their explanations, of his decision.*

*Rest in Peace Uncle Steve.
Now you will be Heaven's hero.*
