“ *I have great memories of Steve growing up in Villa Marie subdivision and later when we played on Wick's softball team for several years ... Steve was a very pleasant and friendly man and I will miss himDave Wickenhauser*

“ *I will always remember Steve coming in to the Hayner Genealogy Library as early as we opened! He would smile if we had to come open the door because he was waiting! Helping him was just part of our day's routine, and we wondered if he was OK on those days that he wasn't here.*

We admired his persistence. Steve worked on his family history. If he was trying to find information about a family member, he just kept searching till he found it! He did not let his disability stop him. I loved helping him any way I could, but he did most of the work!

We will miss you Steve. The genealogy library has lost a friend.
