“ I just found out today that Sue passed away. Our deepest condolences to her family. I still remember when I took my 1 year old daughter in 2006 to her work place. Sue used to pay for my lunch when we worked together. She was a kind-hearted individual.

“ So many great memories of Sue at MacMurray College ! The best one is all those crazy card games of HEARTS that we played and sometimes we had ten people playing with multiple decks of cards so there were many Queens of Spades to drop !
