“ *I will always remember Aunt Susie for her smile, her laugh, and her love. She was giving, very kind-hearted, and a loving presence to those who knew her! I believe she enjoyed every year she had and for that I'm grateful. I know her place in heaven will be filled with teddy bears and other things she loved. She will be missed but remembered always in our hearts! Peace be with her now and with the loved ones grieving her loss.*

With all the virtual hugs I can send,

Laura
