“ *My big T. She will be missed so much . 🥹 Prayers to Karen , Ashley and Ryan and their family. No words can express how I feel for all of us . I called her Snow White. No left overs went in the trash!! She always wanted everyone and every little critter to have a full belly. That's why I called her Snow White, When she opened the door all the animals knew it was feeding time, rabbits, birds, squirrels, neighbors dogs, cats frogs, snakes she didn't care everything and everyone was eating. Life is going to be very hard without her in it.*
