“ *My heart greaves for Terri's Family, I am so sorry to hear of her passing. She will GREATLY be missed. She was a wonderful woman that would give anyone the shirt off her back if they were in need. She ALWAYS put her family first before anything. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.*

“ *I didn't know Terri very well but when Jean Mize took care of my mom when she was ill, Terri came and helped Jean take care of my mom for a couple of days. She was a very nice and compassionate person. My condolences to the Rudd and Hearst Families.*
