“ Hello Michele,

I am so sorry to hear of your loss. Please accept my sincere condolences for you and the family.

Terry was a good engineer and a great person that I enjoyed working with. We worked hard and got a lot done but had a lot of fun doing it. Terry was always so good about keeping everyone smiling.

Terry for sure grew to be a great guy, not just a co-worker but a friend who will live on forever in our hearts, minds, and memories of the many great times we had together.

My heartfelt sympathies to you and your family.
