“ Goodbye old friend..you always cracked me up with your wit and humor all those years ago or as you would say "back in the day".I remember driving up for a visit in '82 or '83 with Monica and brought a cassette of Stevie Ray Vaughn with us.He was still an Austin secret then but you loved it and recognized his immense talent.Cudos on your masterful playing and the rock of a dad you were to your children..rest in peace and tranquillity,see you soon enough
