“ *Deepest condolences to you, Bev, for the passing of Terry. I'm sitting here thinking of all the great times we had golfing, going to the casino and just hanging out. Hopefully He and Gary W., his lifelong friend will hook up in a better place and talk and laugh about all the good times.*

Bev, it is Janet and my greatest wish that you allow Terry to live on in your heart and remember all the great years you had together. He does live on in your memories, Bev.

Our Deepest Sympathies,

James and Janet Bunch.

“ So sorry to hear of Terry's passing. My sympathy to his family. He was one of the kids in our neighborhood during our childhood. I was closer in age & friendship with his sister, Judy. We all had great times sledding down the hill in their backyard during the winter snowfalls, making snowmen, and having snowball fights. Judy and family - you are in my thoughts & prayers. May you find peace in the memories you cherish in your hearts.
