

## Theodore "Ted" "Teddy" DeNardo III

December 5, 1964 - April 19, 2026

Dateline: Godfrey

Theodore “Ted” or “Teddy” Anthony DeNardo III, 61, passed away on April 19, 2026, at his home in Godfrey, Illinois. He was born December 5, 1964, in Washington D.C. and was the son of Theodore Anthony DeNardo II and Judy (Lane) DeNardo.

Ted proudly served his country in the United States Army as a paratrooper in the 82nd Airborne Division. After being honorably discharged from the military, he became a master electrician and eventually met Kelly, whom he lovingly referred to as “my lovely bride” all throughout their 27 years of marriage.

Ted was a man that always tipped well, helped anyone that asked to a fault, could give you an often unprompted, history lesson of every building in the St. Louis and Madison County area, and cooked a mean pepperloin that would “make a rabbit slap a hound”

(his words). He was a devoted husband, loving father, cherished son, loyal brother, and he will be greatly missed and forever remembered.

He was preceded in death by his father, Theodore Anthony DeNardo II. Ted is survived by his mother, Judy, his sister, Christine (Alex), his wife of 27 years, Kelly, his children, Katie, Tyrone, Alex (Jodie), Kaleigh, and Isabella, his grandson, Kaiden, and four nephews, Julian, Juan Jose, Alexito, and Allan.

A celebration of life ceremony will be held at one of Ted's favorite places, Mac's, at 315 Belle Street, Alton, IL on Sunday, May 3, 2026 from 3:00-7:00 p.m.

In lieu of flowers, the family asks, in honor of his father, memorials be made to the Pancreatic Cancer Action Network.

Gent Funeral Home in Alton is in charge of arrangements. Online guestbook and information may be found at [www.gentfuneralhome.com](http://www.gentfuneralhome.com)

“ Just an amazing guy, He knew his stuff when it came to mechanical and electrical work. He done a lot of work for us in the past for IL electric works and he always gave 100% at every job he did. He will certainly be missed.

“ An amazing Man who will be missed by all who knew him. We spent many hours in years past on video calls from across the ocean in Scotland with Ted and Kelly shared stories and many laughs. Our thoughts are with the family. Tam and Tracey Stewart xx

Thank you, he loved talking with you about music and making Tambo steaks. He was so looking forward to crossing the pond for a visit. Love to you both
