“ *RIP Tommy! from your cousin John Lee. Enjoyed my childhood vacations in Roodhouse. Our parents used to say how excited you and I were to see each other and then when together we wouldn't talk to one another. Love to Kaydean and your entire family.*

“ *HOORAH! Love ya, Tom... we miss you so much already. I hear your giggle and "okie dokie" constantly. Until we meet again... I would say "Behave!" ... but even Heaven can't make that happen.*
