“ Sherry,
*I'm so sorry and heartbroken to hear of Tom's passing. I know he has been through a lot the past few years . He was such a great boss and friend and actually he was like family when you work with someone so many years and see them every day. I am truly blessed to have known Tom and you.
In my prayers always 🙏

“ *My son was working at Burger King and Tom would go through the drive through almost every day, and he noticed how hard my son worked, so he offered him a job, which started his career at Aldi and he's still there. I would go into Aldi and Tom always took time to talk, usually about cars and motorcycles. He was a good man, and I'm proud to say, a good friend. My thoughts and prayers go out to the family. You have my deepest condolences.*

“ Oh Sherry I am so sorry for your loss. Many thoughts and prayers for you and Kenny. Tommy was a wonderful man. He was such a hoot and so goofy. I love the memories of us playing games and hanging out. He was always entertaining and a blast to be around. Boy could that man eat. I remember him saying “I’m still hungry but I’m tired of eating that “ as he moved on to the next foods he would devour. Love you all
