“ I met Tom a long time ago...
I had always hoped to track him down and say "thank you" but time passed too quickly.

Tom went out of his way showing kindness to a couple "wet nose" kids back when bell bottom pants were in style ;)

It's been over 30 years but I remember and appreciate this kind hearted gent to this day.

I will keep him in my memories and in my heart until we meet again.

Deepest sympathies go out to his family and friends///
May GOD's unfailing love comfort you all.

“ To the Dehner family - Patricia, Abby, and Johnathan. Please accept our heartfelt condolences on Tom's passing. Tom as a true gentleman. Six years ago when we moved into your neighborhood, Tom was one of the first neighbors that introduced himself to us and offered his welcome and his assistance. He was always personable and always had a smile and a wave. He will truly leave a void in the neighborhood. May his memory be eternal.

“ Tom was a wonderful friend. We played ball together from little league thru adult teams. I remember him most for his wit and sense of humor, sometimes at his own expense. He once took a ground ball to the face while playing softball that opened a cut on his face. He initially voice concerned about a possible scar that could compromise his TV broadcasting career hopes. But then he shrugged and said no matter since he had the perfect face for radio.

Tom was a leader who was committed to his career, community and family. He was a natural coach and mentor. He will be missed by those of us who were blessed to know him.

“ *I cherish such great memories of spending time with Tom & his parents Clyde and Marilyn and sister, my beloved college roommate Diane. Tom shared his valued experience and humor with us and always made friends like me feel like family. One of the "good ones" is gone. Our lives are diminished, but we always have memories of Tom -such a kind and good heart.*

“ Hi my name is Bill Mills and I graduated in 1967 a year behind Tom. I got the opportunity to play a couple of years with Tom on our softball team called the "Walts". We called him "Thermal". So sorry to hear about Tom's death. I also had the privilege of getting to know and becoming friends with Tom and his dad while playing baseball in the early 60's. Tom was always full of humor and was truly dedicated to the sport. His memory will always be with me. Prayers go out to the family.
