“ There are not enough words to describe what a wonderful friend Tomma was to me for many years. She called me "mom" because I was the sensible one & naturally, my son was her "bro". Those are titles that we both cherish. We had so many happy times & adventures. We theme dressed for many occasions, had many holiday "family" dinners & Christmas cookie bake offs. Tomma was a true & good friend & has touched the lives of so many. My heart is hurting, but I have smiles from our memorie with her.
