“ *Grandma Veda was a blessing to me as she came into my life at a time when I had just lost my own grandmother. She was so kind and caring and it has been such a wonderful experience to be a part of her life and her a part of mine. We shared many laughs together and I will never forget the time she about made my brother fall out of his chair with laughter because of her quick wit! She will be missed greatly but I take great comfort in knowing that she will always be with me.*  
*With love,*
