“ Dear Ken, Carolyn, Cherie and Shaun,

Was sad to hear about the passing of Veronica. My thoughts and prayers are with you at this most difficult time. I wish that I could attend the funeral, but I have obligations that I was unable to rearrange.

It's hard to say goodbye, but thank goodness we have the reality of Heaven! She is finally at rest in the arms of her heavenly Father.

I love you all and will keep all your family in my prayers!

“ Dear Carolyn and family. This is Sheila Carpenter, a name you might recognize better. I wanted to let you know how sorry I am to hear you have lost your lovely Veronica. I remember as a long legged long armed baby girl who made the room brighter when she entered. My prayers are with you and your family.

“ Condolences sent from Arkansas, from me and Joe, Katy, and David and Erica. So sad, so young, she was such a fighter, and a smile we can never forget. Aunt Carolyn, Cherrie, and Stewart, know we are thinking of you and continue to pray. But what a glorious reunion there had to be !!!

“ I will always remember you staying at our house when you had chicken pox and then later our times in the singles group at Calvary. I will miss your smile and your sarcastic sense of humor. My thoughts and prayers are with your family during this time.
