“ Sincerest sympathy to Vickys family and loved ones. We all grew up together in the 60s running in and out of everyones houses, getting chased out of everyones houses, following our brothers around, avoiding our brothers, chasing horses, being roped into delivering papers, collecting soda bottles for cash, hiking through the woods, heading to water tower or Crivellos store. We made fun out of nothing at all. What a blast we all had! A lot of great memories came out of that neighborhood! Hopefully your own fond memories will help you through this difficult time. Peace to the family. Sondra

“ My cousin, but I only new her before teen life came around. I remeber doing a paper collection for Harold with her and he let us keep the tips. That is the only way she agreed to do it. What fun that was. She was fun, but tough even in younger years...I am sad I cannot come from South Texas to be there to honor her...
