Mendy, we were just looking at the pictures of the trip to Six Flags with the Ace Club. She loved you and all her students were family to her. Thank you for reaching out to us and sharing in our grief. Hugs, Page & Melissa

“Victoria was “hands down” one of the most thoughtful and loving grandmothers this earth has ever been blessed with. When my children were young, I was amazed at how she made it to almost all of her grandchildren’s sporting events and still made time to take them to the movies and any other special event that was offered in our area. She was also a grandmother to my children and I often look at her as an inspiration for the kind of grandmother that I strive to be. Not only did she bless our family with love but she gave me one of the greatest gifts in my life, Page and her beautiful family. We will miss her so very much.

I am so thankful for the time we had together a few years back. I don't remember a time ever that both Vicki & Jim were not fun, sincere, and uplifting to be in the company of. My sincere condolences to all her family.
