“ *I worked at Rosewood a few years ago and Virgil was my favorite! He noticed my bright orange Mustang outside his bedroom window and made a point to find out who I was. We became fast friends! I cried at his bedside when I knew I was leaving to go to another company. He thanked me for my friendship and I thanked him for his. I have kept him in my mind and prayers all this time. He was truly a good man and will be missed greatly. Blessings and prayers to the family.*
