“ *The whole Stifel family sends our love to the Reed family. Phreda has been gone 10 years now, but Earl (100 now) remembers how Virginia and Ivan would join them for long walks, dinner, cocktails and cards. We 3 girls (Ann, Mary and Nancy) remember how Virginia would help us pick out clothes at the Eastgate Penneys. Paul remembers that Virginia would sunbathe in a yellow two piece and brighten up the whole neighborhood. Mary remembers lounging in your front yard as we waited for the bookmobile. Weren't we all so lucky to grow up on Norside Dr. with our great families! Keith, my family (Mary Tanner now) and Dad are the only Alton residents now, but unfortunately could not come by in person. I hope you have a great celebration of Virginia's life!*
