“ *My kitchen sink has never drained so well in 30 years until Billy D used his magic touch. I will think of him every time I drain the dish pan and that will be everyday. And that voice, and the kindness he has given to my son over the years will not be forgotten. My condolences to Kitty, Terry D., John, Stephani, Mary, Paula and his family members not mentioned because I have not met you, and his friends that he shared a beer with. His life was not carried to old age but he lived his life the way he wanted to and he is at peace now without pain. Prayers for all of you.*
